REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 1 and 14 distinguish over the art of record when taken separately or combined in that they recite an apparatus and method for directing light from a LED with a reflector having a first and second encapsulant with the second encapsulant residing above the first and each having a light reflecting substance with the second percentage of light reflecting substance being less than the first. Claim 21 recites a LED with a reflecting cavity with a second encapsulant residing above a first encapsulant and the first encapsulant has light reflecting substance comprising one of calcium carbonate and titanium dioxide and the second encapsulant has no light reflecting substance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
